The Methodology instructions approved by Order no. 2594/C of the Justice Minister (the "Methodology Instructions") regulate - in a consolidated form - the procedures for keeping trade registry records, registration and disclosure of company-related information.

The applicable European and Romanian legislation was taken into account in preparing the Methodology Instructions.

The new provisions in the Methodology Instructions refer mainly to the amendments and supplements to Company law ("Law no. 31/1990"), as follows:

- the trade registry registration procedures are also regulated for European companies, European cooperative companies and economic interest groups with headquarters in Romania.
- the procedure for registering cross-border mergers with the trade registry, as regulated by Law 31/1990, is stipulated.
